

Management Seminar

Why do some people easily accomplish project after project while others struggle to keep from totally losing control? And why do some have better success gaining acceptance of their ideas and business projects?

Steve Zahner facilitates SkillPath workshops that provide answers to these questions. Join us as the **Chillicothe Area Chamber of Commerce** presents Steve Zahner in “**How to Excel at Managing & Supervising People**”. An information packed seminar that will help you become more effective in handling budgets, schedules and people. After completing these programs, you will be equipped to efficiently manage your projects and provide clear communication that gets results.
